### BOIL WATER NOTICE LIFTED

ESTE INFORME CONTIENE INFORMACIÓN MUY IMPORTANTE SOBRE SU AGUA POTABLE.

TRADÚZCALO O HABLE CON ALGUIEN QUE LO ENTIENDA BIEN

**The Boil Water Notice issued for affected customers on Sunday, July 15, 2018 has been lifted effective today, Wednesday, July 18, 2018, for the Eagle Rock Water System.**

**What happened? What is being done? When will the problem be corrected?**

A water main break resulted in a water outage or low pressure for most customers in the Eastern Hills (EH), Valley View and part of the Woodlands and Eagle Rock II (ERII) sections. You are receiving this notice because our records indicate that you reside in the affected area. Two sets of samples were collected from the affected areas of the distribution system on Monday, July 16 and Tuesday, July 17 and tested for total coliform bacteria. Both sets of samples were absent of total coliform bacteria on Wednesday, July 18, 2018, enabling us to lift the boil water notice.

**It is no longer necessary to use boiled water or bottled water for drinking, making ice, brushing teeth, washing dishes and food preparation.**

Aqua is committed to providing quality water and service to its customers. We apologize for the inconvenience and thank you for your patience. Although this matter has been resolved, if you have any questions or concerns, please contact Aqua's Customer Service at 877.987.2782.

***Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.***
